Chicago Police John Haleas, Star# 6719, 25<sup>th</sup> District has been placed on one year probation for the offense of Attempt Obstruction of Justice under Indictment No. 08CR-7115. Our office is the prosecuting authority in Officer Haleas's case.

If you or any of the assistants that you supervise have a case where you are calling Officer Haleas as a witness, the fact that Officer Haleas is currently on probation should be disclosed to the defense prior to trial as that fact would be relevant to any motive, interest or bias he may have in testifying as a witness for the State. In addition, given the nature of the conviction, we will have to disclose the information to the defense after the term of probation has expired. The MIS Department is doing a computer search to see whether Officer Haleas is a witness on any pending felony cases.

Once I have the results of that search, I will forward them to each of you. Please don't call MIS to have another list run. Units that do not have a computer case management system will have to check their files to determine whether Officer Haleas is a witness.

If you or the assistants that you supervise have a case where Officer Haleas is a witness and you determine that he is a necessary witness who needs to be called in the case, please file and tender to the defense the attached Notice of Disclosure prior to trial. None of the ASAs that you supervise are to file the notice without your prior knowledge and approval. An electronic copy of the Notice of Disclosure will be sent to you.

If you or your ASAs have any questions, please call me. Thank you.
